

Our Happy Holiday Message

Looking forward to another great season,
let's gather our thoughts and our thanks.
And count blessings of laughter and friendship,
health, and pennies in piggy banks.
To our wonderful clients and colleagues,
as we reflect on your loyal support,
take a moment to receive our thank you-s.
For 'tis time for the perennial report.
Our third birthday rolled by in the springtime.
The clinic looked polished and spiffy,
with plenty new details and touches.
The makeover was done in a jiffy.
In summer we celebrated some new friends.
Lucy Trull joined in on our team.
We welcomed her warm smile and spirit,
While Leah welcomed her new little bean.
Fall kept us busy and Lean returned,
And Coleen moved on to other great plans.,
Leila treated us to soothing Thai Yoga,
it's no surprise we've all become fans.
Here again, we see the year end in sight,
and we have a wish for you all...
may peace be abundant and spirit be light,
to find joy in gifts, great and small.
In our spirits we're all so alike,
Whether a Mitch, Olivia, Phoebe or Wyatt.
The best gift is one that is straight from the heart.
There's just no trying to deny it.
May you enjoy a safe and sweet holiday,
With great traditions and those you hold dear.
Sending comfort to all and to all a good night.
Till we meet again in the New Year.

Sarah, Leah, Melanie, Katherine, Leila and Lucy
send you warm and fuzzy wishes for a safe
and peaceful holiday season. May health
and prosperity be yours in the New Year.
